

Industrie Service

CERTIFICATE

Certificate-no.: Z-IS-AN1-KLT-20-03-5010051075-003USB E

The TÜV SÜD Industrie Service GmbH
certifies hereby that the company:

Ebert GmbH

Ludwig-Wilhelm Str. 15
76530 Baden-Baden, Deutschland

is entitled to carry out the transfer of material code marking
according to AD-2000 Merkblatt HP0

This certificate certifies the following prerequisites:

- Suitable company organization
- Knowledge of the persons entitled to change the marking
- Operation records on the re-marked parts
- Correct re-marking before cutting or machining of the parts
- Issuing of re-marking certificates - if necessary

Dated on February 21th 2020, the periodically Review of the re-marking agreement (Report-no. 0036-IS-AN1-KLT/03-20P-5010051075-1018) and an instruction of the active persons entitled to re-marking were successfully carried out by an expert of TÜV SÜD Industrie Service GmbH.

The certificate expires: March 17th, 2023

Kaiserslautern, dated on March 18th, 2020
